

# Expert Nursing Care at Home

Empowering you to stay well

## NEW: Nursing now available through CHSP funding

You can now access our expert nursing services through the Commonwealth Home Support Program (CHSP).

ECH's nursing services provide the highest quality care, giving you peace of mind and empowering you to stay well. Whether you're recovering from surgery, managing ongoing health conditions, or needing support after a hospital stay, our experienced nurses deliver personalised care that fits your schedule.

With over 60 years of trusted healthcare experience in South Australia, we provide flexible options; from one-time visits to regular care, all designed around your needs.

### Preventative health management

Our experienced nurses provide individual assessments and tailored care plans to monitor your health.

*I need my weight and blood pressure checked regularly.*

*I'd like to know how my health and wellbeing is tracking, as I had surgery last year.*

### Ongoing health management

We offer:

- Continence management
- Blood pressure and glucose monitoring
- Catheter care
- Wound management

*I struggle to make it to the toilet in time.*

*I have a wound from bumping my arm and need the dressing changed regularly.*

## Expert support and referrals

With our extensive experience in aged care, our nurses provide:

- Healthcare team coordination
- Allied Health referrals
- Memory care specialist connections
- Medication management
- Continence support and CAPS applications
- PEG and stoma care
- Pain management

*I had a fall and was in hospital. I'd like some advice about how to stop that from happening again.*

*My mom's memory has been getting worse, and we don't know what to do.*
